LEXSTON MINING CORPORATION ANNOUNCES INCORPORATION OF WHOLLY OWNED SUBSIDIARY LEXSTON GUYANA INC.

Vancouver, British Columbia, June 29, 2026. Lexston Mining Corporation (the **"Company"** or **"Lexston"**) (CSE: LEXT) (OTCQB: LEXTF) (Deutsche Börse Frankfurt: L75) announces the incorporation of Lexston Guyana Inc., a wholly owned subsidiary in Guyana. The incorporation establishes a local corporate presence for Lexston in Guyana and supports the Company's evaluation of mineral exploration opportunities in the country.

Strategic Entry into Guyana

The incorporation follows Lexston's recent engagement of Dentons Delany Inc., an international law firm with operations in Guyana. With this local corporate structure in place, the Company intends to review potential exploration opportunities in established Guyanese mining districts, including areas within Guyana's greenstone belts.

"The incorporation of Lexston Guyana Inc. is an important step in the Company's review of opportunities in Guyana," stated Jag Bal, Chief Executive Officer of Lexston Mining Corporation. "Following our team's recent visit, we are pleased to establish a local presence as we continue to assess potential exploration opportunities."

Exploration Focus

Lexston is evaluating mineral concessions within established Guyanese mining districts. The Company's objective is to identify opportunities that may complement its existing mineral exploration portfolio.

About Lexston Mining Corporation

Lexston Mining Corporation is a Canadian mineral exploration company focused on the acquisition and development of mineral projects. The Company's objective is to advance its mineral exploration portfolio and create value for stakeholders. Lexston currently has mineral exploration projects in British Columbia and Nevada.

The Company trades on the OTCQB Venture Market under the symbol LEXTF. The OTCQB Venture Market is for early-stage and developing U.S. and international companies that are current in their reporting and complete an annual verification and management certification process. Investors can find real-time quotes and market information for the Company on www.otcmarkets.com.

Forward-Looking Information

This news release contains forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking information includes, but is not limited to, statements regarding the Company's plans to evaluate and pursue mineral exploration opportunities in Guyana, the review of mineral concessions, the potential expansion of the Company's mineral exploration portfolio, and the Company's business objectives and strategy. Forward-looking information is based on assumptions considered reasonable by management as of the date hereof, including assumptions regarding the availability of suitable exploration opportunities, regulatory and corporate requirements in Guyana, market conditions, and the Company's ability to execute its business plans. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to differ materially from those expressed or implied by such information. These risks include, among others, risks related to exploration activities, regulatory approvals, availability of financing, title and permitting matters, political and economic conditions, and general market conditions. Readers are cautioned not to place undue reliance on forward-looking information. The Company undertakes no obligation to update forward-looking information except as required by applicable law.
